Research agreement with Wisconsin Department of Children and Families (Maria Cancian Principal Investigator). I am leading a study entitled “Leveraging mobile technology to facilitate child support payments and promote positive engagement with children.”
Role: Co-Investigator
- Sub-award from MDRC 05/16- 05/17
U.S. Department of Health & Human Services (HHS23320095644WC/HHSP23337008T)
Building Bridges and Bonds (B3) Study
The focus of this sub-award is to support development and testing of a mobile application as a participant engagement intervention for low-income, urban fathers in the B3 study.
Role: Principal Investigator
- Fall Competition 09/16- 05/17
Office of the Vice Chancellor for Research and Graduate Education
When moms deploy: Understanding the experiences and support needs of women in the Wisconsin National Guard
This study will examine the experiences and support needs of mothers serving in the Wisconsin National Guard and their families, in order to inform service delivery and policy development.
Role: Principal Investigator

Advancing Health Equity and Diversity Research Pilot Award 09/01/15-08/31/16
Institute for Clinical and Translational Research, University of Wisconsin-Madison
What shapes the health of UW women veterans?
The goals of this study are to examine the post-deployment physical and mental health of a sample of women veterans of Operations Enduring Freedom and Iraqi Freedom (OEF / OIF), and the post-deployment readjustment experiences of the women and their families, and evaluate how women veterans' health correlates with family adjustment.
Role: Principal Investigator

Rauner Family Foundation Grant 09/01/14-12/31/15
Engaging expectant first-time and second-time fathers at ultrasound: A qualitative exploration of a developmental transition
The goal of this study is to investigate how expectant fathers identify and make attempts to prepare for fathering and how those identified changes play out and influence mothers, babies, and fathers themselves.
Role: Co-Investigator (PI: Tolman)

Competitive Seed Grant, RWJF Health & Society Scholars 01/01/2014-8/31/15
University of Wisconsin-Madison
Support for women veterans
This pilot study explored stressors and supports for women veterans of the wars in Iraq and Afghanistan, and elicited ideas from women veterans for services to better meet their needs.
Role: Principal Investigator

Competitive Seed Grant, RWJF Health & Society Scholars 01/20/13-08/31/15
University of Wisconsin-Madison
Connecting while expecting
This study examined parents' prenatal expectations of their future child and the relationship they will share, explored how ultrasound attendance engages and motivates expectant parents to prepare for parenthood, and investigated perceived needs for education and support.
Role: Principal Investigator

Research Contract, U.S. Air Force Family Advocacy Program, 07/01/12-5/8/14
in collaboration with Kansas State University
Mobile dad
The goal of this study was to develop and test a mobile phone app to provide tailored parenting information to fathers of young children in U.S. Air Force-connected families.
Role: Doctoral Student Co-Investigator (PI: Lee)

Doris Duke Fellowship for the Promotion of Child Wellbeing 09/01/11-08/31/13

PRACTICE EXPERIENCE

- 2010-2011 **Counselor, Partnering for the Future, Ann Arbor, MI.**
As one component of a comprehensive intervention to provide specialized care to pregnant women with mental health and substance use disorders, I accompanied women to ultrasound appointments and facilitated a structured intervention to strengthen the relationship between mother and developing fetus, and increase mother's investment in a healthy pregnancy.
- 2007-2009 **Facilitator of Kids' Club and Moms' Empowerment Program, SafeHouse, Ann Arbor, MI.**
Facilitator of ten-session intervention program for mothers who have experienced domestic violence and their young children, aimed at enhancing children's social and emotional adjustment and coping behaviors, and enhancing mothers' adjustment and parenting.
- 2008-2009 **Social Work Intern, UMHS Outpatient Child & Adolescent Psychiatric Clinic, Ann Arbor, MI.**
Provided psychotherapy to children and adolescents with a range of emotional and behavioral problems, and facilitated educational and support groups for parents and caregivers.
- 2006-2007 **Family Support Worker, Montague Catholic Social Ministries, Montague, MA.**
Made weekly home visits to provide support, information and referrals to families with young children (0-3 years old), identified at high risk of intergenerational transmission of low literacy and poverty.
- 2002-2007 **Director, 21st Century Community Learning Center After-School and Summer Programs, Gill-Montague-Regional School District, MA.**
My role encompassed design and implementation of publicly funded after-school and summer programs to provide academic enrichment opportunities during non-school hours for children attending high-poverty and low-performing rural schools.
- 2002-2003 **Educator / Coordinator, Dialogues on Diversity, John F. Kennedy Library, Boston, MA.**
I developed curriculum, coordinated and facilitated programs on pluralism for high school students.
- 2001-2002 **Documentary Specialist / Researcher / Educator, Rural Family Support Organization, Clarendon, Jamaica.**
Documented the Roving Caregivers Program (RCP) – a home-visiting service for families with children birth to three years old – through writing, photography, and video. Participated in a qualitative impact assessment of the RCP. Taught basic literacy and numeracy and photography to “street kids.”

1999-2001 **Educator / Researcher, Grenada Education and Development Program, St. Andrew's, Grenada.**
Taught science to students ages 9-12. Participated in research on women's political leadership in the Caribbean.
